

## CAPE CLASSIC GAVE A DONATION TO

On Sunday the Swellendam Bursary Fund received a donation of R16 000 from Cape Classic, a German charitable fund that has consistently supported it for seven years.

This gift will enable four students to pay their registration fees or buy text books at their university or college in 2020. It is warmly welcomed and indicates that there are people in Swellendam and abroad who realise the need to support the Bursary Fund in its efforts to assist the youth of Swellendam to become well-educated and self-supporting individuals.

Ms Gabi Zahn, the passionate leader of Cape Classic, travelled from Germany to do the handing over on Sunday. She was accompanied by seven loyal supporters of this charity whose permanent residences are in other parts of the world, including Munich, Hamburg, the USA and Cape Town.

The function was held at Babette Bed and Breakfast, a prominent guesthouse in Swellendam, which offered to be the host and provide light refreshments to the guests. Five
